

# Twisted Reflections

HIMALAYAS

Drip drop underneath  
My fears hanging over me  
Replaced so thoughtlessly  
And reborn again  
Tick tock, time recedes  
My tears, drowning me  
Misled by destiny  
To fall here again

There's no love at the end of this heartbreak  
Tell me that it's over  
Tell me that I'm too late  
There's no love at the end of this heartbreak  
Tell me that I'm broken  
Tell me that it's too late  
Tell me that I'm too late

Broken so easily  
Holding on beneath the reeds  
So tired of losing sleep  
To repeat again  
Crawl out from the dark within  
Feel the moment sinking in  
Tomorrow fades and there's nothing in between

There's no love at the end of this heartbreak  
Tell me that it's over  
Tell me that I'm too late  
There's no love at the end of this heartbreak  
Tell me that I'm broken  
Tell me that it's too late  
Tell me that I'm too late

Twisted reflections  
Truths I rejected  
I don't know what to believe  
Twisted reflections  
Truths I rejected  
I don't know what to believe

There's no love at the end of this heartbreak  
Tell me that it's over  
Tell me that I'm too late  
There's no love at the end of this heartbreak  
Tell me that I'm broken  
Tell me that it's too late  
Tell me that I'm too late
