

It's weighing heavy on my mind.  
If I come out on top this time.  
And I can not let this one go.  
But I have to let her know.  
But I have to let her know.

I still feel down but I'll come around.  
Has nothing to do with you.  
Just something that I'm going through.

In a minute all this could change.  
And we could lose our way.  
And I cannot see what's ahead.  
And I don't know when I'll be dead.  
And I don't know when I'll be dead!

I still feel down but I'll come around.  
Has nothing to do with you!  
Just something that I'm going through!  
I still feel wrong but I'll come along.

When will this come down?  
When will I be around?  
And if this not fall down.  
Will it be... when I turn around!

I still feel down but I'll come around.  
Has nothing to do with you!  
Just something that I'm going through!  
I still feel wrong but I'll come along.

Has nothing to do with you!  
Has nothing to do with you!  
Has nothing to do with you!
