

## Far from Home

Hinder

You said I'm always saying sorry for the same old things  
I'm sorry for the drugs and how much I drank  
You said I say it so much it doesn't mean anything  
I'm sorry my love but I had to leave

I hope most of you will never know what it's like to let a love  
go  
Leaving everything at home, everything you've ever known

I can't fix this from a phone, I'm sorry you feel so alone  
It's like I told you you're better off without me  
I'm sick of saying sorry so far from home

You keep calling and complaining that I just don't care  
Would you say that if I was there?  
It's that picture you keep hanging that's causing your tears  
I could set you straight if you were here

I hope most of you will never know what it's like to let a love  
go  
Leaving everything at home, everything you've ever known

I can't fix this from a phone, I'm sorry you feel so alone  
It's like I told you you're better off without me  
I'm sick of saying sorry

I don't want to string you along and that's why I'm letting you  
go  
It's like I told you you're better off without me  
I'm sick of saying sorry so far from home

And I don't know how many times I tortured you  
And I can't count how many fights I fought with you

I don't want to string you along and that's why I'm letting you  
go  
It's like I told you you're better off without me  
I'm sick of saying sorry

I can't fix this from a phone, I'm sorry you feel so alone  
It's like I told you you're better off without me  
I'm sick of saying sorry

I don't want to string you along and that's why I'm letting you  
go  
It's like I told you you're better off without me  
I'm sick of saying sorry so far from home
