Far from Home

Hinder

You said I'm always saying sorry for the same old things I'm sorry for the drugs and how much I drank You said I say it so much it doesn't mean anything I'm sorry my love but I had to leave I hope most of you will never know what it's like to let a love go Leaving everything at home, everything you've ever known I can't fix this from a phone, I'm sorry you feel so alone It's like I told you you're better off without me I'm sick of saying sorry so far from home You keep calling and complaining that I just don't care Would you say that if I was there? It's that picture you keep hanging that's causing your tears I could set you straight if you were here I hope most of you will never know what it's like to let a love qo Leaving everything at home, everything you've ever known I can't fix this from a phone, I'm sorry you feel so alone It's like I told you you're better off without me I'm sick of saying sorry I don't want to string you along and that's why I'm letting you qo It's like I told you you're better off without me I'm sick of saying sorry so far from home And I don't know how many times I tortured you And I can't count how many fights I fought with you I don't want to string you along and that's why I'm letting you qo It's like I told you you're better off without me I'm sick of saying sorry I can't fix this from a phone, I'm sorry you feel so alone It's like I told you you're better off without me I'm sick of saying sorry I don't want to string you along and that's why I'm letting you qo It's like I told you you're better off without me I'm sick of saying sorry so far from home Sponzor: www.srovnavac.cz - vyberte si pojištění online!
