Foolish Eyes

Hinder

I'm still getting used to have no one to talk to
In the middle of the night sometimes I still swear I feel you
Sometimes it's like you just left the room
Cause' I can still smell your favorite perfume
It goes on and on and on

I miss that skirt you wear out on the weekends
And I can still see the old clean shirt you'd sleep in
That image of you is burning my mind
Stuck in myself, stuck in that time
It goes on and on and on

I can't see through these foolish eyes
As soon as I let you in you got me blind
And I can't keep swallowing my pride
It's killing me, I can't hold it all inside

Thinking of checking out of this town I'm walking (walking)
I'm tired of everybody asking if we're back to talking (talking
)
I'm sick of seeing you, sick of our friends
Sick of feeling sick all over again
It goes on and on and on

I can't see through these foolish eyes
As soon as I let you in you got me blind
And I can't keep swallowing my pride
It's killing me, I can't hold it all inside
These foolish eyes
Woah oh woah

It goes on and on and on
It goes on and on and on

I can't see through these foolish eyes
As soon as I let you in you got me blind
I can't keep swallowing my pride
It's killing me, I can't hold it all inside
These foolish eyes
These foolish eyes
I can't see, I can't see
I can't see, I can't see
I can't see, I can't see through these foolish eyes
