Making It Hard

Hinder

Eyes burning holes in the back of my head
I'm on the lot and she's ready to sell
She knows I've got a girl but she don't really care
She's made that clear as a fu-fucking bell

T-t-touching on my arm, sounding my alarm
I've held her off but she knows that I'm caving
Sh-she ain't trying to be discreet, she's hanging on my sleeve
Another shot and she'll hit where she's aiming

She's making it hard, don't want her to stop
I'm starting to sweat it, yeah, she's so fucking hot
She said, "Give it up, I like it on top
And it's going down whether you like it or not"
She's biting on her lip with her sexy little grin
It's almost like she knows what I'm thinking
I know it needs to stop 'cause it's going too far
I gotta give it a rest but she's m-m-m-m-making it hard

Everywhere I go I see she's already there
I try to hide but there ain't no escaping
I lie when I pretend that I don't like it at all
And that it's not consensual misbehaving

When she's sucking on my lip, grinding with her hips
She's getting off on the fact that she's winning
K-k-kissing on my neck, making me a wreck
I'm getting scared 'cause she's just beginning

She's making it hard, don't want her to stop
I'm starting to sweat it, yeah, she's so fucking hot
She said, "Give it up, I like it on top
And it's going down whether you like it or not"
She's biting on her lip with her sexy little grin
It's almost like she knows what I'm thinking
I know it needs to stop 'cause it's going too far
I gotta give it a rest but she's m-m-m-m-making it hard
She's making it hard, whoa

(Oh yeah!)

She's making it hard, don't want her to stop
I'm starting to sweat it, yeah, she's so fucking hot
She said, "Give it up, I like it on top
And it's going down whether you like it or not"
She's biting on her lip with her sexy little grin
It's almost like she knows what I'm thinking
I know it needs to stop 'cause it's going too far
I gotta give it a rest but she's m-m-m-m-making it hard
Yeah, she's making it hard, whoa

Yeah!
