

# letdown

Hindia

Dua dekade  
Ratusan janji yang tak selesai  
Taman bermain  
Yang berkarat dan terbengkalai  
Jadi saksi generasi yang dipaksa tumbuh dewasa  
Direnggut masa mudanya  
Dijajah pelayannya

Apakah kita memang terpaksa harus berdamai?  
Bahwa semua  
Mimpi bersama takkan tercapai  
Atau sebaliknya  
Lihat pagar yang tak terbuka  
Jadi bunga di tirai besi  
Berjuang dan tak henti di sini

Oh  
Pray that I still have it in me  
Bunga di tirai besi, mengakar berlipat kali  
Oh  
Pray that I still  
Pray that I still have it in me

You and me both  
We want the same thing  
Riding on danger  
Oh, like it's nothing  
We know it won't end well  
We'll keep on singing  
Keep holding on  
Bring on the letdown

You and me both  
We want the same thing  
Riding on danger  
Oh, like it's nothing  
We know it won't end well  
We'll keep on singing  
Keep holding on  
Bring on the letdown

Ku tak terima  
Jika kita yang harus mengalah  
Beranjak pergi  
Di tanah ibu, aku terjajah  
Atau sebaliknya  
Tegap kencangkan kuda-kuda  
Tuang semen di mata kaki  
Berjuang dan tak henti di sini

Oh  
Pray that I still have it in me  
Bunga di tirai besi, mengakar berlipat kali  
Oh  
Pray that I still  
Pray that I still have it in me

You and me both  
We want the same thing (We want the same thing)  
Riding on danger  
Oh, like it's nothing (Oh, like it's nothing)  
We know it won't end well  
We'll keep on singing  
Keep holding on  
Bring on the letdown

You and me both (You and me both)  
We want the same thing (We want the same thing)  
Riding on danger  
Oh, like it's nothing (Like it was nothing)  
We know it won't end well  
We'll keep on singing  
Keep holding on  
Bring on the letdown

We get high from the letdown  
We get high from the letdown  
We get high from the letdown  
We get high from the letdown
