

Aku membenci
Aku menghakimi
Setengah mati
Tapi saat ini
Aku tak tahu
Apa kau mau bicara serius?
Tentang bagaimana instrumen negara bunuh anaknya

You just want some fries
Would you like some tea?
Give you ABC
You don't want none of my activist shit
So give me three minutes
I'm gonna crank you out another hit
'Cause last time I heard you just wanna dance

With me
If you just wanna dance
With me
Ya, ayo
You just wanna dance
With me
If you just wanna dance
With me
Ya, ayo

Jika kau ingin lupa sebentar keadaan yang sukar
Tanah air yang pudar, hukum yang kian memelar
Dance
With me
If you wanna dance
With me
If you wanna
Bounce

Blazing in the fray
Throw your hands away
Count me in
Ingin mati rasa
Apa kau bisa tetap berdansa jika terselip ku bicara tentang
Papua
Kanjuruhan

If you're not comfortable then just scroll up
If you're not comfortable then go fuck yourself
If you're not comfortable then you know you just wanna dance

With me
If you just wanna dance
With me
Ya, ayo
You just wanna dance (Dance)
With me
If you just wanna dance (Dance)
With me
Ya, ayo

Jika kau ingin lupa sebentar keadaan yang sukar
Tanah air yang pudar, hukum yang kian memelar
Dance (Dance)
With me
If you wanna dance
With me
Ya, ayo
If you wanna
Ya, ayo
