

## Boom Boom Back

Hinds

Somewhere in the way in the middle of my loneliness  
Feeling strange in the house of a mutual friend  
I said, "Nope, thank you though, you know I don't do cocaine"  
My thoughts are boring  
You can ignore me

If you wanna fall in love in a bar tonight  
Do you wanna fall in love with a broken heart?  
Do you wanna ride? Ride in my Mirage?  
Do you wanna be the one that feels the "Boom-Boom" back?  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back

Once upon a time in the middle of an XL lie  
Faking laughs, melted ice, throwing dollars and dice  
Do you wanna step aside a hologram of your life?  
Life is waiting in the middle of an XL lie

If you wanna fall in love in a bar tonight  
Do you wanna fall in love with a broken heart?  
Do you wanna ride? Ride in my Mirage?  
Do you wanna be the one that feels the "Boom-Boom" back?  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back

We went to this after party, and they were staring at us  
"Tia, ¿Se nota tanto que somos españolas?"  
"Maybe sí, maybe no"  
"I don't know why we came"  
Oh, oh, she was like  
"Girl, you guys are so funny, you guys are so cute"

Do you wanna fall in love?  
Do you wanna feel the "Boom-Boom" back?  
If you wanna fall in love in a bar tonight  
Do you wanna fall in love with a broken heart?  
Do you wanna ride? Ride in my Mirage?  
Do you wanna be the one that feels the "Boom-Boom" back?  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back  
The "Boom-Boom" back
