Boy

Hinds

Now that I've seen this buzz in life
I don't wanna lose this feeling
Now the routine is actually nice
And I don't wanna lose this feeling

I don't want him to forget me while I'm gone
I'll be stuck thinking about him all day long
Todo el día con el chico en la cabeza
He pedido tiempo pero no me dejan

But it's all I ever needed from a boy
(I want, I want my boy)
Yeah, it's all I ever needed from a boy
(I want, I want my boy)

Now that we're chilling on my couch
I don't wanna lose this feeling
And now accidentally I'm in love
I don't wanna lose this feeling

I don't want him to forget me while I'm gone
I'll be stuck thinking about him all day long
Me da miedo que a lo lejos no recuerde
Me da miedo que se crea que me pierde

But it's all I ever needed from a boy
(I want, I want my boy)
Yeah, it's all I ever needed from a boy
(I want, I want my boy)
But it's all I ever needed from a boy
(I want, I want my boy)
Yeah, it's all I ever needed from a boy
(I want, I want my boy)

All I want is my boy
All I want is my boy
All I want is my boy
All I want is my boy
All I want is my boy

But it's all I ever needed from a boy
(I want, I want my boy)
Yeah, it's all I ever needed from a boy
(I want, I want my boy)
But it's all I ever needed from a boy
(I want, I want my boy)
Yeah, it's all I ever needed from a boy
