

## Just Like Kids (Miau)

Hinds

Can I tell you something about you and your band?  
Cause I'm sure you'd love to listen to my advice  
You're always out of tune  
And there's no place there for you  
DUDE

Where are you from with that accent that doesn't let you pronounce?  
Are you Spanish or something, wait, can you roll your R's?  
You're too pink to be admired  
And too punk to be desired  
Ñañañañañañañañaña

Just like kids, we are late and our home is far away  
We do this, we do that  
I'm tired of waiting  
We are all afraid of that long road  
I guess it's the prettiest curse

To be fair I don't know you but a friend of mine does  
He said you were successful cause your legs are nice  
It must be so much fun  
To spend your daytime in the van  
HAHAHA

You will never look smart if you show that big smile  
Better dress all in black  
Oh darling you're too young  
Dude it's been a pleasant chat  
But I'm off to do my job  
'Cause we have the craziest crowd  
Waiting for this kittens to -MIAU-

Just like kids, we are late and our home is far away  
We do this, we do that  
I'm tired of waiting  
Just like kids, we are late and our home is far away  
We do this, we do that  
I'm tired of waiting

We are all afraid of that long road  
I guess it's the sweetest  
I guess it's the warmest  
I guess it's the prettiest curse
