Don't know who mess your bed but my socks are staying there
Don't know how much you care
If I ask you to be
Finding traumas around your heart
I feed you more than anyone

We want to fall in love
If you're doing it right, please do it strong
We want to fall in love, will you?
But where were you when I was sleeping on my own?

Don't know who mess your bed but my socks are staying there
Don't know how much you care
If I ask you to be
Finding traumas around your heart
I feed you more than anyone

We want to fall in love
If you're doing it wrong, do it strong
We want to fall in love, will you?
But where were you when I was sleeping on my own?

Don't know who mess your bed but my socks are staying there
Don't know how much you care
If I ask you to be
Finding traumas around your heart
I feed you more than anyone
I feed you more than anyone

Don't know if I'm in pain
Don't wanna wait it
Would you like to watch a movie if I ask you to stay?
Finding traumas around your heart
I'm offering a
Hon, I don't know how clear I get
If I lay on your chest

Finding traumas around your heart
I feed you more than anyone
