

Tester

Hinds

I'm down on my knees begging you please
I don't know, I don't know, I don't know
I lost my knack to get out and get in as I pleased
Should I knock the door?
We both know, what we saw
Something potentially close to...
I don't know what I saw in you

So there's two movie tickets on my desk
Didn't you know that it's Friday again?
So there's this corny way you brush my hair away
Should I've know before you were also banging her?
And what about how happy your college friends got?
Dude, I get confused, I'm not openly yours
And what about the necking when I came?
Should I've know before you were also banging her?

We are just having fun
We are just having fun
We are just having fun

You say that you can prove me wrong
But when I'm alone
I feel like I'm your tester
But you've been
The one who brought me here my baby

Why did you have to see the fallout I was made
After four years in the milky way
Why did you have to kiss me after sex
Should I've know before you were also banging her?
Why did you have to brush my hair again
During a talk by your other affair
Why did you have to lie to my face
Should I've know before you were also banging her?

You can't say I'm wrong
But when I'm alone
I feel like I'm your tester
But you've been
The one who brought me here

Now I'm on my knees begging you please
I lost my knack to get out and get in as I pleased
Should I knock the door?
We both know, what we saw
Something potentially close to love
We both know what I saw in you

You can't say I'm wrong
Cause when I'm alone
I feel like I'm your tester

You can prove me wrong
Cause when I'm alone
I feel like I'm your tester
You you you can't say I'm wrong

Cause when I'm alone
I feel like I'm your tester
Cause you've been
The one who brought me here
Brought me here
