

# This Moment Forever

**Hinds**

I want to live in this moment forever  
Joy down my throat, spontaneous toast  
Bring me your daydreams, I'll make them be greater  
I knew I'd been lost when I first heard your voice

I don't wanna make you stop  
I don't wanna miss this shot  
Take me as long as you

As you want  
Such a beautiful clumsy silence  
In your arms  
With your heartbeat as a lullaby

I want to live in this moment forever  
You're clearing my trust that was covered in dust  
They say I have to go back now or never  
For you I would crush, sat in first class

I don't wanna make you stop  
I don't wanna miss this shot  
Yeah, take me as long as you want

As you want  
Such a beautiful clumsy silence  
In your

I don't wanna make you stop  
I don't wanna miss this shot  
I don't wanna go  
I don't wanna let you go

I don't wanna make it stop  
I don't wanna miss this shot  
I don't wanna make you stop  
I don't wanna miss this shot  
I, I don't wanna make you stop  
I don't wanna miss this shot  
I don't wanna make you stop

In your arms  
Such a beautiful clumsy silence  
In your

I don't wanna make you stop  
I don't wanna miss this shot  
I don't wanna go  
I don't wanna let you go
