

All At Once

Hippie Sabotage

I ain't thinking 'bout tomorrow
I don't want to see the sun
Tonight I'm giving in
Doing everything I want
So push me to my limits
I'm just here to have some fun
Give me everything you got
I wanna feel it all at once

Give me everything you got
I wanna feel it all at once
Give me everything you got
I wanna feel it all at once

I ain't thinking 'bout tomorrow
I don't want to see the sun
Tonight I'm giving in
Doing everything I want
So push me to my limits
I'm just here to have some fun
Give me everything you got
I wanna feel it all at once

Give me everything you got
I wanna feel it all at once
Give me everything you got
I wanna feel it all at once

I ain't thinking 'bout tomorrow
I don't want to see the sun
Tonight I'm giving in
Doing everything I want
So push me to my limits
I'm just here to have some fun
Give me everything you got
I wanna feel it all at once

Give me everything you got
I wanna feel it all at once
Give me everything you got
I wanna feel it all at once
