

Boy Problems

Hippie Sabotage

Ohhh

The room is spinning but I see straight
The room is spinning but I see straight, yea yeah
That's when she found me in a dark place
That's when she found me in a dark place, yea yeah

I got boy problems but the girl ain't one
'Cause she need my love, yea yeah
I got boy problems but the girl ain't one
Now she's all I want, yea yeah

I got boy problems but the girl ain't one
'Cause she need my love, yea yeah
I got boy problems but the girl ain't one
Now she's all I want, yea yeah

[?] but it felt right
Her eyes were locked in the moonlight
She knew exactly what to do
Somehow I wish that it was you
Did I fall or am I fading?

I got boy problems but the girl ain't one
'Cause she need my love, yea yeah

I got boy problems but the girl ain't one
Now she's all I want, yea yeah

Oh oh, yeah
Yea yeah
Oh oh, yeah
