

Dreaming Of Freedom

Hippie Sabotage

It might sound mean when I talk
But I lead when I walk
I have seen what's the top
I achieve I won't stop
Mentally try to shock
I have sins I don't wash
Since thirteen I have fought
I have reached what I sought
I move past like a clock
I'ma takin' your blood
Stole the keys to the lock
Now I'm leavin' the dark
See I'm mean when I'm lost
The routine had no stop
See you live, I keep risin'
There's this year no get lost

So I'm gonna keep on
Screamin'
Screamin'
Screamin'
Screamin'
'Til I get my
Freedom
Freedom
Freedom
Freedom
So I'ma never stop
Dreamin'
Dreamin'
Dreamin'
Dreamin'
So I'ma never stop
Dreamin'
Dreamin'
Dreamin'
Dreamin'

I'll be like a plane that keeps pushin'
I'll bleed for what I've won
I have grown to the rain
I'm still ridin' through the storm
Over my shoulder I've been lookin'
I'm always on the run
I can get in to the backs
So I'ma breakin' through the front
They told me patience is a virtue
But fuck it weigh a ton
I lift what I can carry
You will know when I'm done
I exist I become
With my music I stun
Been junior since young
I'm exactly where I want

So I'm gonna keep on
Screamin'

Screamin'
Screamin'
Screamin'
'Til I get my
Freedom
Freedom
Freedom
Freedom
So I'ma never stop
Dreamin'
Dreamin'
Dreamin'
Dreamin'
So I'ma never stop
Dreamin'
Dreamin'
Dreamin'
Dreamin'
