

# Nervous System

## Hippie Sabotage

I've got  
Dream sickness  
In my  
Nervous system  
Fear it  
Never will end  
All these  
Thoughts in my head

I've got  
Dream sickness  
In my  
Nervous system  
Fear it  
Never will end  
All these  
Thoughts in my head

Only time will tell  
Will my demons go prevail  
Will I go respond or fail  
Will I get lost inside this realm  
Where

I've got  
Dream sickness  
In my  
Nervous system  
Fear it  
Never will end  
All these  
Thoughts in my head

I've got  
Dream sickness

Only time will tell
