

Thinking Irrationally

Hippie Sabotage

I'm searching for a remedy
From all these countless penalties
I need to break my tendencies
So I don't drain my energy
Feels like it's been a century
Threading our way so delicately
I'm stuck, caught in so endlessly
Always thinking irrationally

I'm searching for a remedy
From all these countless penalties
I need to break my tendencies
So I don't drain my energy
Feels like it's been a century
Threading our way so delicately
I'm stuck, caught in so endlessly
Always thinking irrationally

I'm searching for a remedy
From all these countless penalties
I need to break my tendencies
So I don't drain my energy
Feels like it's been a century
Threading our way so delicately
I'm stuck, caught in so endlessly
Always thinking irrationally
