

## Wild One

## Hippie Sabotage

I'm a wild one  
Get me when the danger comes  
I might angel some  
I will look what I become  
See where I'm from  
I was told to never run  
Away from things  
In front of what the fuck I want

I'm a wild one  
Get me when the danger comes  
I might angel some  
I will look what I become  
See where I'm from  
I was told to never run  
Away from things  
In front of what the fuck I want

This been a long time comin'  
Never thought that I'd fall  
Even with no money  
Mom was always on go  
I won't stop for nuttin'  
I won't stop 'til I'm old  
I do this shit for nobody  
I do this shit for my soul  
If you ain't hear it play it backwards (yeah)  
If you ain't see it look faster it (yeah)  
If you ain't feel it move past it (yeah)  
If you ain't got it get after it (yeah)  
Doubt leaves a disaster  
Things change they don't last (yeah)  
I don't care about my past much  
I keep moving never backwards

I'm a wild one  
Get me when the danger comes  
I might angel some  
I will look what I become  
See where I'm from  
I was told to never run  
Away from things  
In front of what the fuck I want

I'm a wild one  
Get me when the danger comes  
I might angel some  
I will look what I become  
See where I'm from  
I was told to never run  
Away from things  
In front of what the fuck I want

I'm a wild one  
I'm a wild one  
I'm a wild one

Wild one, wild one, goin' 'round the wild  
Wild one, wild one, goin' 'round the wild  
Wild one, wild one, goin' 'round the wild  
Wild one, wild one, goin' 'round the wild  
Wild one, wild one, goin' 'round the wild  
Wild one, wild one, goin' 'round the wild
