

Bashful Creatures

Hippo Campus

Bashful creatures, kids don't care at all
Bashful creatures, ratchet face and all

Oh bashful creatures, I don't give a shit
Oh bashful creatures, drown yourselves in it

I do not care who you are or the company you keep
Overall lack of concern with who sleeps on your sheets

Drink up to save mind of who you can be
Tucked-in tank top so you look more like me

You crawl in at dawn
Yes you crawl in to mourn
Yes you crawl

Oh bashful creatures, I don't give a fuck
Oh bashful creatures, running out of luck

I do not care who you are, I don't care what you wear
I don't care who you are, I don't care who you scare

Don't try to fight it anymore...
