

Mistakes

Hippo Campus

I know you see the light upon my face
A warning from the Gods to stay away
Forbidden like a fruit and I'm the snake
Just a bite, I wanna know the taste
All the things I've seen beyond the frame
I'll steal them like, I'll steal your heart
I'm not that bad, I make

Mistakes

Sometimes, mistakes
Sometimes, mistakes

Don't be afraid of the way that you feel
Open your heart and you'll see it's real
Don't be afraid of the way that you feel
Don't be afraid, that's the way that you feel
It's true love
Right, that's right
