

## Semi Pro

Hippo Campus

I've been on my last kick for a minute  
Running out of goals, stepping over toes  
Sitting on the bench, I've been in it  
Losing like a chore, coming up alone, yeah  
Everybody thinks they're semi-pro  
Then it all comes down like a waterfall raining on you  
Got clean, I guess I'd rather never know  
It's played out, now I'm hanging from the rafters

Sweating hard, all alone  
To take a lap, the sweetest one

Head start on quitting  
Save your breath, undressed and I'm never come back for once  
Saw that name on my jersey  
Always played for both teams  
Had big dreams, then I felt bad  
Killing you was a pleasure, man  
Hope you understand that the measure wasn't all so tough  
Kicking rocks in the promised land  
Peace out and I'm never coming back now

It feels like it should  
I'll just let you do the talking  
If you wanna stay back, you should  
I can't promise you I'm anything  
But it feels so damn good  
You just love the way I want ya  
But I'm cool with it, so knock on wood  
I've been bad, but I'm only getting better  
I've been bad, but I'm only getting better

Not a second thought to lose, yeah, yeah  
Gained something that I never thought I'd have before  
Been broken and bruised, yeah, yeah  
Peace out, I'm never going back now

It feels like it should  
I'll just let you do the talking  
If you wanna stay back, you should  
I can't promise you I'm anything  
But it feels so damn good  
You just love the way I want ya  
But I'm cool with it, so knock on wood  
I've been bad, but I'm only getting better  
I've been bad, but I'm only getting better

It feels so damn good (It's bad but I'm only getting better)  
I've been bad but I'm only getting better  
It feels so damn good (It's bad but I'm only getting better)  
I've been bad but I'm only getting better  
It feels so damn good (It's bad but I'm only getting better)  
I've been bad but I'm only getting better  
I've been bad but I'm only getting better  
I've been bad but I'm only getting better
