

## Think It Over

Hippo Campus

You've got time to think it over  
You've got time to think it through  
It's a circumstantial outcry  
It's a failure to pursue  
It's a sentimental nonsense  
It's a thoughtless way to love  
It's a blossom in mid-winter  
It's a poor man's cure for touch

Reason for it  
Could think  
Reason for it  
Could think  
For it  
Ah-ah  
Ah-ah  
Ah-ah-ah-ah  
Sick for it  
Could think  
Sick for it  
Could think  
For it

You've got time to think it over  
You've got time to think it through  
It's a circumstantial outcry  
It's a failure to pursue  
It's a sentimental nonsense  
It's a thoughtless way to love
