

As Long as I Can See the Light

Hiss Golden Messenger

Put a candle in the window
But I feel I got to move
Though I'm going, going, I'll be coming home soon
As long as I can see the light

Pack my bag and let's get moving
'Cause I'm bound to drift a while, oh no no no
Well I'm gone, gone, you don't have to worry no
As long as I can see the light

Guess I've got that old traveling bone
'Cause this feeling won't leave me alone, no no no no
But I won't, won't be losing my way, no
As long as I can see the light

Put a candle in the window
But I feel I got to move
Though I'm going, going, I'll be coming home soon
As long as I can see the light
Long as I can see the light
Long as I can see the light
As long as I can see the light
