

## Call Him Daylight

Hiss Golden Messenger

Hey there, big as night  
I think I'll call him Daylight  
And I'll call him once, with a little song  
He's got nothing on  
He comes naked with the dawn  
And I know that I will call him Daylight  
Knock once, and now knock twice  
The moon is sacrificed  
To the one that they call Daylight

Rosie, my old friend  
You've been a long time coming  
I called all night, but I was afraid  
You come at such a time  
As you see fit, no compromise  
That's why I call you Daylight  
Moving nevermore  
Though our children go to war  
Some call you destroyer, some Daylight

And I'm not gonna dance, I'm not gonna dance  
I'm not gonna dance until my ship comes in  
But when my ship comes in, when my ship comes in  
When my ship comes in I'm gonna lose control

Oh, my soul  
Now you own it  
And you call it by the name Daylight  
Now do you know me  
Your one and only  
I'm glad for you to call me Daylight
