

## Feeling Eternal

Hiss Golden Messenger

How many days in a number?  
How many days in a row?  
Do you live with a hunger  
That won't leave you alone?

Does this seem familiar?  
Have we been here before?  
A ghost that no horse can carry  
I'm one of those

Feeling eternal  
Feeling eternal  
Feeling eternal

You go out in the neon  
Down in the electric wind  
Hotel Coma, rooms for the renting  
Sixty bucks a day gets you in

I kneel in believing  
Beneath the howl of broken amps  
For those down and out but still devoted  
I'm one of them
