

# I Am the Song

Hiss Golden Messenger

Please send a letter, baby  
I want to know if you hear  
I want to know  
Know know know  
I want to know

I was at the Wailing Wall  
White clouds singing  
Hurricane ring-dancing  
I want to know  
Know know know  
I want to know

If you've got a soul to sell  
I am the song  
Won't be long  
Country dollar

Rhode Island Red was a sweet thing  
She put sixteen dollars on Black Horse Cherry  
Now no  
No no no  
I wanna know

If you got a soul to sell  
I AM THE SONG  
Won't be long  
Country dollar

Did you go and break your crown?  
I am the song  
Won't be long  
Country dollar

Yes, I see the world is changing  
I had to get this message to you  
Know  
Know know know  
I wanna know
