

## Anarcho-Syndicalist

### Hit The Switch

a German anarchist moved to London after being exiled,  
from his hometown,  
the British parliament only believed in advocating it's predomi  
nancy,  
so once again he had to flee,  
and as the Nazis took power,  
he claimed residence in the states,  
a man and his convictions won't conform in the least bit,  
my beliefs won't be silenced!  
So let us not be incomplete,  
satisfied put in your place,  
the structure of modern control,  
a man like rocker felt his writings could influence the movemen  
t,  
and no fascist could do dick about it!
