

## #10 Dream

Håkan Hellström

Louder and a little bit longer and a little bit stronger, let me slip in to it...

I'll tell you one thing man, when I...

When I go to that big record company sky I hope that they got a George Jones record there...

And all of us in the diamond mine from the big Mamas and...

Åh San Francisco, säg minns du, vi går dit alla går

Åh San Francisco, säg minns du, jag hade blommor i mitt hår

What would the world be without rhythm? God made the world, and he gave it to a beat, a meter, a tempo and a rhythm. Feel the world; it has silent and strong rhythm. The world is meant to be seen and heard and felt
