

Don't Forget to Say No, Baby

Hoagy Carmichael

Well now, Mrs. Bones
Don't forget to say no, baby,
While I'm with your Uncle Sam.
I'll be missing you so, baby,
That's the kinda guy I am.
Other boys may call your number,
But if they take you to tea,
Don't be thrillin',
While I'm drillin',
Remember you belong to me.
Don't forget to say no, babe,
If they want a kiss goodnight.
Just remember it's no, baby,
If they want to hold you tight.
While I'm out to train,
Don't you entertain,
Remember you're not the USO.
Till I return, baby,
Don't forget to say no.
Don't forget to go,
Voo-dee, voo-dee...(scat)
Other boys may call your number,

But if they take you to tea,
Don't be charmin',
While I'm armin',
Remember you belong to me.
Don't forget to no, babe
If they want a kiss goodnight
Just remember it's no, baby,
If they want to hold you tight.
And if you want to please,
While I'm overseas,
Do a blackout from head to toe.
Till I return, baby,
Don't forget to say no.
Don't forget to no, babe,
If they want a kiss goodnight.
Just remember it's no, baby,
If they want to hold you tight.
Now while I'm out to train,
Don't you entertain,
Remember you're not the USO.
Till I return, babe,
Don't forget to say no, no, no, no, no.
Don't forget to say no, babe.
