

## Eggshells

Hockey Dad

I, I walk on eggshells tonight  
I, I'm searching for some kind of light  
And don't you, don't you revel the fight  
And you, you walk on eggshells for life

Took me in, took me in [?]  
Start walking around any [?]  
Easy, easy to refill the cup  
I see, I see you've had enough

I, I walk on eggshells tonight  
I, I'm searching for some kind of light  
Don't you, don't you revel the fight  
You, you walk on eggshells for life
