

## Raygun

## Hockey Dad

She's got a broken smile  
And she's got amber eyes  
And when she talks to me  
I feel like I'm 15

(Oh oh oh oh oh oh oh oh)  
Locks me up and takes control

I see her in my dreams  
But I don't think she sees  
How much she means to me  
To me its everything

(Oh oh oh oh oh oh oh oh)  
Locks me up and takes control  
(Oh oh oh oh oh oh oh oh)  
Shot me down with her raygun
