

Safety Pin

Hockey Dad

Looks like I'm running late again
Racing through the cover laid ahead
Weight keeps packing on and I'm getting short of breath
I guess the fall was at the end

Be my safety pin
Click the latchet in
When I fall to bits you hold my contents in

Hold
Hold

Blindfolded running at the wall
Charging at me faster than before
Ringing in my ears and a new incoming call
Head down doing what I'm told

Be my safety pin
Click the latchet in
When I fall to bits you hold my contents in
Ooh ooh ooh ooh ooh ooh ooh ooh
When I fall to bits you hold my contents in

Hold
