Though I want you
Minus the trouble
Though I want you
Minus the trouble
Was on my mind
A long long time

These are not rewards
These are not rewards
To me anymore

Though I want you
Minus the trouble
Come on and pick me
Could you pick me up?

Though I want you
Minus the trouble

Oh William James
Oh William James
Pick me up

Could you pick me up?
(7th And Market)
Pick me up
Could you pick me up

Though I want you
Minus the trouble
