

Thought I Was Changing

Hockey

My heart's really racing these days
Can't get out of my own way
Every time I think I might change
I used to like feeling this way
When it was just a game
Demands of the trade

I thought I was changing
I thought I would wear it well
I thought I was changing
I thought I would make a run
I thought I would wear it well
But you're just gonna wear it hard
But I don't fucking care

Yeah my heart's really racing these days
Running on perception games
Could I love the ride
Of what I was in your eyes
It was like so strange to realize

I never learned to DJ
I never made a remix baby
And big Sean used our song without us
Go chiddy bang
It's only love it's only love
And we never give up at all
Yeah

I thought I was changing
I thought I would wear it well
I thought I was changing
I thought I would make a run
I thought I would wear it well
But you're just gonna wear it hard
But I don't fucking care

Yeah
Thought I was changing
