Hodgy Beats

Yeah, that fire inside. Not that head, it's not what's in your head. In your head they tellin' you, "they gon' shoot you, they gon' kill you, they gon'.. you ain't gon' live," you know what I mean? You be like "I'm set up, I'm good." You really don't know that, right?

You could have all the money in your pocket and you dead in five seconds from a car crash, you know what I'm saying? But that man was feelin' like he had everything. He got his house on the hill, driving his big Bentley, and no stress from bills. His wife is home cooking dinner, you know what I'm saying? Yeah, yeah, yeah, but then all of a sudden, look.
