

# Your Will Be Done

Hoku

Here I am  
This is the life I've been given  
I'm just one  
Out of countless that were and will be  
But You know each step  
Every word that has yet to be spoken  
The length of my life to the moment  
To the very last breath I will breathe

So Father I need You  
To give me some peace in this madness  
Beauty for ashes  
I need You  
To strengthen my faith for this fight

Cause the way has been darker than I dreamed  
And things have been harder than they seemed  
But still I sing Your will, Your will be done  
From the brightest of days to darkest night  
When every dream I've had has died  
Still I sing Your will, Your will be done  
Your will be done

Who am I  
Have I counted the stars in the heavens  
Have I sculpted a mountain  
Or set out the bounds for the seas  
Not an inch to my height, not a hair to my head  
Can be added or lessened  
I cannot give life to a thing that your wisdom  
Has said cannot be

So Father I need You  
  
To give me some hope for my sorrow  
Strength for tomorrow  
I need You  
To bring peace in the face of despair

Cause the way has been darker than I dreamed  
And things have been harder than they seemed  
But still I sing Your will, Your will be done  
From the brightest of days to darkest night  
When every dream I've had has died  
Still I sing Your will, Your will be done  
Your will be done

Cause You are God and You are good  
You are righteous You are truth  
You are wisdom You are grace  
You are power You are my strength  
Your will be done, Your will be done  
Your will be done, Your will be done  
Father let your will be done

Cause the way has been darker than I dreamed  
And things have been harder than they seemed

But still I sing Your will, Your will be done  
From the brightest of days to darkest night  
When every dream I've had has died  
Still I sing Your will, Your will be done  
Your will be done
