

# Misterium Babel

Hollenthon

Wistful temptress  
Scarlet-clad and decked in gold  
Baneful muse  
Fallen whore

Moaning siren  
Drunken with the blood of saints  
Reign of vice  
Nevermore

Within these walls of naked hare  
The beast awaits to consume her flesh  
The waters tremble in fearful disdain  
While she burns in her fiery bed

Within these walls  
No music sounds  
Misterium Babel  
Her luscious charm...Unveiled

Unfolds  
Recoils  
Fades

Wistful temptress  
Scarlet-clad and decked in gold  
Baneful muse  
Fallen whore

Moaning siren  
Drunken with the blood of saints  
Reign of vice  
Nevermore

Within these walls  
Of naked hate  
The beast awaits to consume her flesh  
The waters tremble in fearful disdain  
While she burns in her fiery bed

Within these walls  
You led a stray  
With sweet caress  
Your magic spell...Unveiled

Unfolds  
Recoils  
Fades

Within these walls  
No light will shine  
Your naked flesh  
In darkness dwells
