

# Cos You Like to Love Me

The Hollies

I feel that's something's right  
You don't like holding me tight  
What's wrong with me  
I don't know  
Maybe it's time I should go

But just as I get to the door  
You look at me and say no  
Come and be good to me  
come and make love to me  
Stay Stay

'Cos you like to love me  
And just me and nobody else  
And I like to love you  
And just you and nobody else

We should get out more I know  
But we're just too lazy to go  
What's outside that's not in here  
Nothing's so good that's so near
