

# I Thought of You Last Night

The Hollies

I thought of you last night  
I thought of you and thought of you  
Until the morning light  
I couldn't sleep I couldn't sleep last night

I wanted you last night  
I wanted you and wanted you  
And wished with all my might  
You'd come to me you'd come to me last night

Darling my darling I can't live without you  
I'm lonely so lonely when you're out of sight

I'll wait for tonight  
I'll wait for you and wait for you  
And long to hold you tight  
Bring your love to me your love to me tonight

I thought of you last night  
I thought of you and thought of you  
Until the morning light  
I couldn't sleep I couldn't sleep last night

I'll wait for tonight  
I'll wait for you and wait for you  
And long to hold you tight  
Bring your love to me your love to me tonight  
Bring your love to me your love to me tonight
