

# I Understand

The Hollies

I understand when you hold my hand so tight  
I understand when you kiss and say good night  
When we're walking hand-in-hand  
Oh baby I understand

Trying to forget isn't an easy task  
A little bit of loving is all I ask  
When you're away I feel so blue  
Oh baby I'm in love with you

Your face haunts me and I know why  
It's because of that twinkle in your eye  
When you're away I feel so blue  
Oh baby I'm in love with you

Oh baby I understand  
Oh baby I understand
