

## On a Carousel

The Hollies

Riding along on a carousel  
Trying to catch up to you  
Riding along on a carousel  
Will I catch up to you

Horses chasing 'cause they're racing  
So near yet so far  
On a carousel, on a carousel

Nearer, nearer by changing horses  
Still so far away  
People fighting for their places  
Just get in the way

Soon you'll leave and then I'll lose you  
Still we're going round  
On a carousel, on a carousel

Round and round and round and round and round  
And round and round and round with you  
Up, down, up, down, up, down too

As she leaves she drops the presents  
That she won before  
Pulling ducks out of the water  
Got the highest score

Now's my chance and I must take it  
A case of do-or-die  
On a carousel, on a carousel

Round and round and round and round and round  
And round and round and round with you  
Up, down, up, down, up, down too

Riding along on a carousel  
Trying to catch up to you  
Riding along on a carousel  
Will I catch up to you

Now we take our ride together  
No more chasing her  
On a carousel, on a carousel

On a carousel, on a carousel
