This wheel's on fire This wheel's on fire This wheel's on fire

If your memory serves you well We're gonna meet again and wait So I'm gonna pack all my things And sit there for it gets to late

No my ?? will come to you With another tale to tell And you know that we shall meet again If your memory serves you well

Wheel's on fire Rollin down the road Let's notify my next of kin This wheel shall explode

If your memory serves you well
I was gonna confiscate your lace
And wrap it up in a sailors knot
And hide it in your case
If I knew for sure that it was yours
But it was so hard to tell
And you know that we shall meet again
If your memory serves you well

This wheel's on fire This wheel's on fire This wheel's on fire

If your memory serves you well
You'll remember you're the one
That called on me to call on them
To get your favours done
And after every ?? I failed
And there was nothin more to tell
You knew that we should meet again
If your memory serves you well

This wheel's on fire This wheel's on fire This wheel's on fire
