You Better Move On

The Hollies

You ask me to give up the hand of the girl I love You tell me I'm not the man she's worthy of But who are you to tell her who to love That's up to her, yes and the Lord above You better move on

Well I know you can buy her fancy clothes and a diamond rings I believe she'd be happy with me without those things Still you beg me to set her free But my friend that will never be You better move on

I can't blame you for loving her But can't you understand man, she's my girl And I, I, I, I'm never gonna let her go 'Cause I, I, I, I love her so

Well let me tell you how

I think you better go now, I'm getting mighty mad You ask me to give up the only love that I've ever had Maybe I would, oh but I love her so I'm never gonna let her go

You better move on You better move on You better move on
