

# Hello

## Hollow Coves

These days are slow and I'm caught inside  
I'm in my head and I'm spinning round  
If I call out will someone show?  
I miss those days when you were home

Hello, hello, is there anybody out there?  
I've got my door open, come in, come in  
Hello, hello, is there anybody out there?  
I've got my door open, come in, come in

Come in  
Come in

I look outside, the grass has grown  
I think about those words you wrote  
Wish I could go back and change it all  
I miss those days, I want them back

Hello, hello, is there anybody out there?  
I've got my door open, come in, come in  
Hello, hello, is there anybody out there?  
I've got my door open, come in, come in

Come in  
Come in
