

# Dear Sons

Hollow Front

Dear sons  
These words are for you  
A way for me to show  
How much you mean to me  
Using the only way I know how  
Written on paper with blood as the ink

And I remember  
The day you were born  
Was the day I was forced to become a man  
Still to this day, I don't know what I'm doing  
But I promise I'm doing the best that I can

Tell me your fears  
Even when you're grown  
Because I will always  
Be around to show you love

Dear sons  
I wrote this song  
To prove how much you mean to me  
For all the joy your love and laughter brings  
Please know the world can be scary  
When you're on your own  
I swear I'm always near your heart  
Even when I'm gone

Dear sons  
Don't let the world break you down  
Run your dreams into the ground  
If there's anything I'd wish for you  
It's for you two to be happy  
And never feel the way I do

Time passes so fast  
It almost feels like we can fly  
Life's so complicated  
Yet we never know the reasons why  
Then one day it's finally our time to die

Dear sons  
I'd give my life for you  
Cross any ocean  
Climb any mountain just to see you  
I just want you to know  
That you're truly the loves of my life

Dear sons  
I wrote this song  
To prove how much you mean to me  
For all the joy your love and laughter brings  
Please know the world can be scary  
When you're on your own  
I swear I'm always near your heart  
Even when I'm gone
