Loose Threads

Hollow Front

Slow to pick up all the pieces
I've lost all the words that make sense
Who would've guessed of all places
You'd be is at the end of a thread?

Oh, my brother, are you breaking down?
Because I know that you have been crying out
Oh, my brother, what are you searching for?
Just take my hand, you're not alone anymore

(I'm pleading) You're losing grip
(I'm pleading) There's so much left to give
Wipe your eyes and see
There's more to life than there seems to be
(I'm pleading) You're at the edge
(I'm pleading) I refuse to lose a friend
Wipe your eyes and see
I'll lose everything if you choose to leave, go

How long can you keep this up?
When will it ever be enough?
Living a lie disguised as a life
I refuse to sit back and watch you die
'Cause I want you to know
I would shed my own blood to show you're loved
'Cause I truly believe
That you deserve so much more
Oh, brother, you can't take this pain alone
Just take my hand, isn't that what friends are for?

(I'm pleading) You're losing grip
(I'm pleading) There's so much left to give
Wipe your eyes and see
There's more to life than there seems to be
(I'm pleading) You're at the edge
(I'm pleading) I refuse to lose a friend
Wipe your eyes and see
I'll lose everything if you choose to leave
If you choose to leave

I won't let you end your life
You have so much to lose
Please don't give in
Please don't give in
