

# Overkill

Holly Humberstone

A couple more tequilas  
And I'll tell you how I'm feeling  
Don't wanna kill your evening  
Don't wanna be a buzz kill  
If I'm coming on strong  
I'm spending all my money, yeah, yeah  
Going up and down the country  
Just to leave you on a Monday morning, same old story  
Here we go again

Maybe this time I'll  
Say something  
Something a little wild, out loud  
Maybe this time I'll  
Say something  
I've been feeling for a while, out loud

We're running out of moonlight  
Just tryna use the time right  
Does it have to be a big deal?  
Babe, however you feel  
No I won't  
Make a fuss  
No I won't  
Cause a scene  
And my heart keeps racing, racing  
Still I'm over being overkill, and  
You don't have to say it back  
I just wanna know where your head's at

Maybe this time I'll  
Say something  
Something a little wild, out loud  
Maybe this time I'll  
Say something  
I've been feeling for a while, out loud

And I'll wait for my moment  
Hope you say what I'm hoping  
Get it out in the open  
Hope you say what I'm hoping

Maybe this time I'll  
Say something  
Something a little wild, out loud  
Maybe this time I'll  
Say something  
I've been feeling for a while, out loud

And I'll wait for my moment  
Hope you say what I'm hoping  
Get it out in the open (Say something)  
Hope you say what I'm hoping

And my heart keeps racing, racing still  
And I'm over being overkill  
And my heart keeps racing, racing still

Guess I'm over being overkill
