

Colour Them Gold

Holly Macve

Ah-ooh

I had this urge to run, and leave it all behind
Leave for California where my dreams have always light
This can't be all there is to life
No, this can't be all there is
There must be something higher and greater within my reach
Will you come for the journey? I'll be sad if you're not with me
But love can be an anchor, love might set you free

Will these dark tears follow me wherever I choose to go?
The one where they're kissin' and color them gold
Ooh

I have this fear that I've been wasting precious days
Sleeping, breathing, letting the hours slip away
I long for the desert and the clearest starry skies
I want to live, I want to be feelin' alive

Will these dark tears follow me wherever I choose to go?
The one where they're kissin' and color them gold
Color them gold (Ah)

Ooh-ooh, color them gold
Ooh-ooh, color them gold
Ah, color them gold
Ooh-ooh, ah-ooh
Ah-ooh (Ah), mm
